

****Fab Academy Student Agreement****

The Fab Academy is responsible for:

- Teaching principles and practices of digital fabrication
- Arranging lectures, recitations, meetings, and events for the class
- Evaluating and providing feedback on student work
- Offering clear standards for completing assignments
- Certifying and archiving student progress
- Supervising class preparation
- Reviewing prospective students, instructors, and labs
- Providing central staff and infrastructure for students, instructors, and labs
- Fund-raising for costs not covered by student tuition
- Managing and reporting on the program's finances, results, and impacts
- Publicizing the program
- Promoting a respectful environment free of harassment and discrimination

I am a Fab Academy student, responsible for:

- Attending class lectures and participating in reviews
- Developing and documenting projects assigned to introduce and demonstrate skills
- Honestly reporting on my work
- Working safely
- Leaving workspaces in the same (or better) condition than I found them
- Participating in the upkeep of my lab
- Ensuring that my tuition to cover local and central class costs is covered
- Promoting a respectful environment free of harassment and discrimination
