

Fab academy Student Agreement

The Fab Academy is responsible for:

- Teaching principles and practices of digital fabrication.
- Arranging lectures, recitations, meetings, and events for the class.
- Evaluating and providing feedback on student work.
- Offering clear standards for completing assignments.
- Certifying and archiving student progress.
- Supervising class preparation. Reviewing prospective students, instructors, and labs.
- Providing central staff and infrastructure for students, instructors, and labs.
- Fund-raising for costs not covered by student tuition.
- Managing and reporting on the program's finances, results, and impacts.
- Publicizing the program Promoting a respectful environment free of harassment and discrimination.
- Encourage a diverse, accessible, and equitable community.

I am a Fab Academy student, responsible for:

- Attending class lectures and participating in reviews.
- Developing and documenting projects assigned to introduce and demonstrate skills.
- Allowing the Fab Academy to share my work (with attribution) in the class for purposes compatible with its mission.
- Honestly reporting on my work, and appropriately attributing the work of others (both human and machine).
- Working safely. Leaving workspaces in the same (or better) condition than I found them. Participating in the upkeep of my lab.
- Ensuring that my tuition for local and central class costs is covered.
- Following locally applicable health and safety guidance.
- Promoting a respectful environment free of harassment and discrimination.
